## KEOKUK COUNTY SCHOOLS

INTERESTING MATTER CONCERNING ALL THE SCHOOLS IN THE COUNTY

### NAMES OF GRADUATES

Calendar of Commencement Events, List of County Graduates, and Other Prominent Days During the Commencement Week.

As the school year draws to a close many people are interested in knowing who will graduate from our high schools over the county and when the various exercises will be held. We have procured the following information from County Superintendent McVicker who seems to be in touch with all the schools of every sort, that he knows just about what is going on in any school of the county at any time. If the following calendar of commencement events of the county, it will be noted that some of the class plays and other events are given under two different dates, in those cases, the plays, etc., are to be given twice for the accomodation of the community. It is noticeable that the high schools of the county are graduating a total of about two hundred young people this year. This is no doubt by far the largest number that the high schools of the county have ever turned out in one year. Thus Keokuk county is evidently doing her share in the education of the world.
